Miss Washington County

**IT'S MORE THAN A CROWN.**

It's empowering young women everywhere to achieve their dreams by providing scholarship opportunities and honoring their commitment for helping others.

# Miss Washington County

Each year hundreds of young women in our community apply for scholarships to advance their education, many of whom would not be able to seek higher education and degrees without them. On behalf of the Miss Washington County Scholarship Program we are requesting donations to our annual program, which will be held on April 8<sup>th</sup>, 2017 at the Venetian Theatre in Hillsboro.

As members of the Miss Washington County Scholarship Program (MWCSP) we are passionate about education and empowering young women in our community. Who are we and why do we care? We are a team comprised of former Miss Oregons ('82,'84,'86,'87,'93,'95), State and National volunteers, along with local experts in fitness, fashion and business.

The Miss America Program is the largest provider of scholarship assistance awarding millions of dollars each year in cash awards and in-kind tuition waivers in the country. As former competitors in the Miss America Scholarship Program, we are recipients of over \$250,000 in cash and in-kind scholarships sponsoring over a total 30 years combined education resulting in numerous college and advanced degrees. We can all attest that none of us would be where we are today without the generous donations made by local businesses, such as yourself, that support these scholarships and make educational dreams come true.

We believe that being a part of the Miss Washington Scholarship Program is more than a crown. It's being a part of a program that promotes scholastic achievement, creative accomplishment, healthy living and community involvement. The scholarships procured will allow us to offer, what we hope to be, the largest in the state. This type of success cannot be realized without the generosity of donors and sponsors like you.

A donation/scholarship form is attached to collect all the pertinent information regarding your donation. There are many ways to donate and become involved: in-kind scholarships, cash scholarships, cash donations and products. MWSP is a Not-For-Profit organization, and we would like to receive all donations by March 1st.

We thank you in advance for your generosity and look forward to partnering with you in supporting the young women in our community.
